BRIEF ABSTRACT OF LETTER.

Brings to the notice of Govt. The
anomalous position of the Amildars
in the constitution of the Taluk
Boards. Suggests that they may be
appointed ex officio Presidents of Taluk Boards
instead of the Asst Commrs.
being Presidents.

NOTES AND ORDERS.

The question of the peculiar
position of the Amildars in the
constitution of the Taluk Boards
was brought to the notice of the
Govt. by the D. C. Kolar District.

The reasons assigned by the D. & T. members for a change are practically the same as the ones advanced by D. & K. members and the latter also recommended the identical solution. Govt. however decided that the existing system should be tried for some time before any modification can be thought of. Under Ref^{ce} & in brief. There has been hardly six months since then and there has been no tangible ground for holding that the system requires an immediate change.

The reasons for change advanced by the D. & K. is based more on a priori grounds and has not been supported by any facts or figures. If the accidentals of the Taluk Boards do not happen then also V.P.'s of the Taluk Boards, concerned right if he held responsible for the execution of the Board work, it is all the more reason why the S. D. O.'s should be so held and their being temporary officers is no objection as they will

There is some force in the case put
forward to the D^r. Munken. bish. But
the point was raised by the D^r. Kolan bish
only in March last when first decided to
the present system a bit later before modifying
it. It is too early yet to go back on this. After
all it is only in the case of 19 Taluqs that the
Amildars are not Priests of the Tq Bds. In the remaining
(50?) Taluqs the Amildars are the Priests of the Tq Bds.
The matter is, not so very urgent after all.

APPOINTMENT OF AMILDARS AS EX-OFFICIO PRESIDENTS OF THE
TALUK BOARDS.

x 22
X
In Notification No. R. 15240-L.B.113-18-1 dated 26th May 1919, Government ordered, under Section 6 of the Local Boards and Village Panchayets Regulation, 1918, that the Assistant Commissioner in revenue charge of the Taluk, if he is a member of the Taluk Board, and if he is not a member, the Amildar or Deputy Amildar as the case may be, should be ex-officio President of the Taluk Board and that the Vice President of a Taluk Board should be elected by the Board.

2. In March 1920, the Deputy Commissioner, Kolar District, brought to the notice of Government certain practical difficulties in the working of the above arrangement in the taluks of Kolar and Chickballapur and suggested that the Amildars of those Taluks might be appointed Presidents of the respective Local Bodies as in the case of the other Taluk Boards. In reply the Deputy Commissioner was informed that the system already sanctioned should be tried for sometime before any change in the approved policy or procedure could be thought of.

3. Again in October 1920 the Deputy Commissioner and President, District Board of Tumkur, referred to the peculiar position of the Amildars in the constitution of those Taluk Boards where the Revenue Sub Division Officer is the President and the Vice President is a non-official member and explained how in such a Taluk Board the Amildar, who is only an ex-officio member, cannot be held responsible for the efficient discharge of the duties expected of Local Boards including economic development work, in-
as-much^{as} he has no hold on the Sanitary Inspector and other officials who are direct subordinates of the President of the Taluk Board. He also -

13
pointed out that much work cannot be expected from the Sub Division Officer who has charge of at least three or four taluks, or from the non-official Vice President, who is usually a busy man of some profession. In these circumstances, he suggested that the Amildar who has considerable influence in, and knows the requirements of, the villages in his taluk, may in every case be nominated ex-officio President of the Taluk Board, the Sub Division Officers being authorised to exercise general supervision over the Taluk Boards under Section 32 (3) of the Local Boards and Village Panchayets Regulation.

4. The opinions of the Presidents of the other District Boards having been called for on the above suggestion, they have all recommended the adoption of the proposed change as being in the best interest of the Taluk Board Administration.

5. The question was considered at the meeting of the Council held on the 7th July 1921, and the Members are of the following opinion:-

"Amildars may be appointed Ex-officio Presidents of the Taluk Boards in place of Assistant Commissioners, when the the present Boards are reconstituted. The Assistant Commissioners will then cease to be members of such Taluk Boards".

6. The opinion of the Council may be graciously approved.

S I R,

I have the honour to state that I desire to place before the Government for favourable consideration and orders a few thoughts that suggested themselves to me regarding the peculiar position of the Amildars in the constitution of these Taluk Boards where the Revenue Sub-Division Officer is the President and the Vice-President is a non-official member.

2 In such a Taluk Board, the Amildar is only an ex-officio member among others. Strictly speaking, he is not ^{more} responsible for the work of the Taluk Board than any other ordinary member. Of course, he is a member just by virtue of his office and he is expected to take place at the disposal of the Taluk Board, his experience and knowledge of local conditions. But I think he can not be held responsible for the actual execution of works or for the success of the scheme in the villages when he has no special agency working directly under him. The Sanitary Inspector, the Local Fund clerk and for some time past, the Village Improvement clerk, are all of them, direct subordinates of the President of the Taluk Board. The Amildar in effect has absolutely no hold on them. At the same time, if the Amildar does not exercise effective supervision and show interest in the progress of these works, they would gradually come to a standstill.

3 The powers and duties of Local Boards are defined in section 8 of the Mysore Local Boards Regulation. They are fairly comprehensive and

include such varied items as purely local road works and buildings; licenses for building new houses and repairing old ones; returns of Vital Statistics for the several villages of the Taluk; sinking of drinking water wells in selected villages according to their relative urgency; prevention of epidemics; ^{extension of village sites} and the repairs and efficient upkeep of the Travellers' Bungalows in the Taluk. As per the recent Government Order NO. 514-66/E.C.15-19-1 dated 12th July 1919, the work of the Economic Conference which hitherto formed a separate department, has also ~~transferred~~ devolved on the local boards. The Amildar is held responsible for the efficient discharge of all these duties and for the proper working of the scheme in his Taluk, though he is neither the President nor the Vice-president, but only an ex-officio member.

4. The Sub-Division Officer who is the President of the Taluk Board has charge of at least ~~of~~ three or four taluks and it will not often be possible for him to visit all the villages during the year. In the nature of things he can only visit a few of them which require his immediate and prompt attention. The Non-Official Vice-President, who is usually a busy man of some profession, can hardly be expected to sacrifice all his professional or private work for the sake of this honorary work. And then, there is always the gratuitous character of his work which effectually prevents the strict fixing of responsibility in the conduct and efficient management of the affairs of the Taluk Board. The out-door works of course are not generally checked by the vice-president except when they happen to be situated not far from the head-quarters. It is clear that the Amildar has far more opportunities of visiting all the villages during the year for one reason or other. As a local administrative officer of some status he is expected to know the actual requirements of the several villages. He has considerable influence all over the Taluk and can readily find the agency for the proper execution of works and the carrying out of orders of the Taluk Board. In the same connection I may be permitted to inform you that on ^a ~~the~~ reference by the Sanitary Commissioner regarding the legitimate work of the Sanitary Inspectors and their responsibility, I have

I have recommended to the Chief Secretary to Government (vide this office No.L.F.130 of 20-21 dated 19-8-20) that the Sanitary Inspectors should work directly under the Amildars and that they are virtually the Executive Assistants to the Amildars in Local Board matters.

5. Under the above circumstances and so long as the Taluk Boards continue to be in charge of one or the other Revenue Officers I would suggest that the Amildar be in every case nominated Ex-Officio President of the Taluk Board and I think we can then with some amount of justice and firmness fix the responsibility on him. The Sub-Division Officer, of course, can exercise general powers of supervision over the Taluk Board, if delegated to him under clause 3 of section 32 of the Mysore Local Boards Regulation.

Sir,

Adverting to your letter No. R. 6624-30/L.B. 71-20-12 dated 3rd December 1920, calling for my opinion as to the desirability or otherwise of nominating the Amildar as Ex-Officio President of the Taluk Board in every case as suggested by the Deputy Commissioner of Tumkur, I have the honour to state that the proposed change in the existing system is a most desirable and effecting one as it would concentrate the administration of the Taluk Board in its various aspects in the hands of the Amildar having more local knowledge and local interest than the sub-Division Officer in charge of the Taluk, and secure uniformity in the system. The sub Division Officers under the instructions of the Deputy Commissioner should advise the Taluk Boards wherever necessary on matters coming to their notice during their tours and report serious irregularities to the Deputy Commissioner or discuss such matters at the District Board meetings.

I request that the G.O. No. R. 15240/L.B. 113-18-1 dated 26th May 1919 may kindly be modified accordingly.

Sir,

With reference to your letter No. R. 6624-30/L.B. 71-20-212 dated the 3rd December 1920 calling for opinion on the desirability or otherwise of nominating Amildars as Ex-officio Presidents of Taluk Boards, instead of the Assistant Commissioners in Revenue charge of their Head-quarter Taluks, I have the honour to state that I have so long ago as 16th March 1920 expressed my views on the desirability and necessity for this change explaining in detail the practical difficulties and inconveniences that are being experienced by having divested these Amildars of the executive functions connected with the Taluk Boards /and of the administrative control over them in their respective Taluks.

A copy of my letter No. L.F.H.C. 134 dated the 17th March 1920 together with a copy of the reply of Government to my proposal, is herewith submitted for kind perusal and ready reference. In para 8 of my letter I have also proposed the delegation of powers of general supervision, etc., to the Assistant Commissioners in charge of such Taluks, under Section 32(3) of the Local Boards and Village Panchayat Regulation VI of 1918.

I have nothing more to add except that the change already proposed

Letter No. L.F.H.C. 134 dated the 17th March 1920, from the Deputy Commissioner, Kolar District, to the Secretary to the Government of Mysore, Revenue Department, Bangalore.

37

I have the honor to state that according to the present constitution of the Taluk Boards, the Sub Division Officers of Kolar, Chintamani and Chikballapur are the ex-officio Presidents appointed by Government for the respective Taluk Boards, the Vice-Presidents thereof, being elected from among the members of the said Boards.

2. Except in Chintamani Taluk where the Amildar was elected as Vice-President and the election was approved by the Government, the Taluk Boards of Kolar and Chikballapur elected non-official Vice-presidents, with the result that the Amildars of these two Taluks thought they are ex-Officio members of these Taluk Boards, have no locus standi in the administrative functions of these Local Bodies.

3. The Sub-Division Officers who are placed in Revenue charge of more than one Taluk have to be constantly moving about the Taluks in their charge, and as such can hardly be expected to devote their undivided attention to the internal administration of the affairs of these Local Bodies without prejudice to their other important duties in the Sub-Divisional Taluks.

4. The elected non-official Vice-Presidents are only honorary functionaries and it will not be possible for them to perform all the ^{executive} duties of the Board which are of an arduous nature, entailing much labour and touring, etc., and which are expected to be carried out only by paid Officers.

5. The Amildars of these Taluks having been deprived of the executive functions connected with the Taluk Boards of their respective Taluks, have absolutely no control over the staff of these Local Bodies and consequently much inconvenience and practical difficulties are experienced in getting the ^{executive} ~~execution~~ functions of these Boards performed and their Sanitary and other works executed especially during outbreaks of Epidemics which require prompt attention.

6. Another difficulty which is experienced by these Amildars is in connection with the execution of Village Improvement works

which are being done under the supervision of the Taluk Amildars. The practice was that the Taluk Sanitary Inspectors who were hitherto under the direct control of the Amildars, were attending to these works in addition to their works of the Taluk Board. By the present arrangement the Amildars have lost control over these Sanitary Inspectors and are unable to utilise their services in connection with Village Improvement works which suffer in consequence.

7. The Amildars whose jurisdiction of work extends to a small specified area of a Taluk and who as Local Officers, come in much closer contact with the people and localities in their respective Taluks, are in a far better position to gauge the exact needs of the Taluk, and to satisfactorily carry out the executive functions of the Board along with their other work and without any extra expenditure to the ^{than} Boards concerned ~~than~~ the Sub-Division Officers. In these circumstances I consider it necessary that their services should be utilized for the proper performance of the executive functions of the Boards and that the subordinate executive agency viz., Sanitary Inspectors, etc., should work under them.

8. I therefore beg to propose that the Amildars of these Taluks may be appointed Presidents of the respective Local Bodies, as it is the case in other Taluk Boards and the Sub-Division Officers be delegated with the powers of general supervision etc., under Section 32(3) of the Local Boards and Village Panchayat Regulation VI of 1918.

Sir,

I have the honor to invite kind reference to this office No.D2 Dis 91 of 1920-1921 dated the 7th December 1920, in the matter of appointing amildars, and Deputy amildars, as Presidents of Taluk Boards in every case. In this connection I may again be permitted to state that the appointment of Sub Division Officers as Presidents, is not conducive to the efficient administration of Local Boards. They are constantly touring Officers, and though the separation of Executive and Judicial functions, has given them some relief, they cannot move closely with the ryot population as is the case with the amildars. With the abolition of the post of District Excise Officer in this District, it is very likely, that the present Sub Division Officers will be asked to look after the duties of the Excise Officer, pertaining to their Sub Divisions.

2. I therefore request that early orders of Government may kindly be obtained to the appointment of the amildar, Bangalore Taluk and the Deputy Amildar, Closepet, as Presidents of the respective Taluk Boards.
